On June 13, 2002, the Library of Congress received a motion for partial distribution of 1999, 2000 and 2001 Musical Works Funds from the digital audio recording royalties collected under chapter 10 of the Copyright Act. This motion was filed prior to the Library's opening of a proceeding to distribute those royalties. On July 16, 2002, the Library opened this proceeding by publishing a document in the **Federal Register** calling for interested parties to submit their Notices of Intent to Participate. 67 FR 46698 (July 16, 2002). The Library also announced that a motion for partial distribution had been filed, and asked for comments on the advisability of granting the motion. The deadline for filing comments was September 16, 2002. We have determined that it is appropriate to extend the time period for filing such comments until October 4, 2002.

Wherefore, **IT IS ORDERED** that the parties in this proceeding shall have until close of business on October 4, 2002 to submit their comments on the pending motion for partial distribution of the 1999-2001 Musical Works Funds.
